

Russell Berrie Nanotechnology Institute  
Technion - Israel Institute of Technology

## Prof. Rafal E. Dunin-Borkowski

Director of the Institute for Microstructure  
Research and the Ernst Ruska-Centre for  
Microscopy and Spectroscopy with Electrons in  
Forschungszentrum Jülich

▶ "New approaches for measuring  
magnetic moments and electrostatic  
potentials in materials on the nm  
scale using electron microscopy"

**Wednesday,  
12 February, 2020**

12:00 refreshments

12:30 lecture

**Auditorium 1003  
Meyer Building (EE Dept.)  
Technion**

**RBNI  
Monthly  
Seminar  
Series  
2020**

**TECHNION**  
Israel Institute  
of Technology
